

# PLASTI-SKIRT™

## SKIRT BOARD COVER

US. PAT# D612,073

### SKIRT BOARD COVER – PROTECT YOUR INVESTMENT!

- Plasti-Skirt is a heavy duty U-shaped plastic cover for skirt boards in post frame construction.
- Protects the vital skirt board from ground contact, concrete, moisture, etc.

- Provides a positive barrier between corrosive treated woods and metal trims and siding.
- Use with Plasti-Sleeve post protection for the total protection package.
